2026 Silent Auction

Dear Supporter,

On Friday, November 13, Rally Foundation for Childhood Cancer Research will host its 19th annual Benefit Bash at the Georgia Aquarium. Last year, this incredible event, presented by Delta Air Lines, raised \$4 million for childhood cancer research. Our goal this year is to surpass that incredible milestone.

We're up for this challenge, but we need your help.

The silent auction plays an instrumental role in our success each year, and we hope you will consider supporting Rally Foundation by making a donation this year. We are looking for fabulous items or premium experiences with at least a \$100 value. Higher value donations will be under consideration to be featured in an exclusive super silent auction or Live Auction, which are typically valued over \$10,000. Your donation may be tax deductible.

Childhood cancer is the number one disease killer of kids in America, and every day, 47 families hear the devastating news that their child has cancer. Your support today makes a difference! Every dollar raised at Rally's signature events supports cutting-edge research for childhood and adolescent cancers, helping discover better treatments with fewer long-term side effects and, ultimately, cures. With 93 cents of every dollar directly supporting Rally's mission, Charity Navigator has awarded Rally a perfect score of 100 for financial health, accountability and transparency.

Since our launch in 2005, Rally has provided \$47.5 million in peer-reviewed childhood cancer research grants worldwide, and our national advocacy efforts have resulted in \$344 million from the U.S. Department of Defense Medical Research Program granted directly to researchers studying cancers in children, adolescents and young adults.

Thank you for your consideration. Your support of childhood cancer research is vital. Please help us make the silent auction at the 2026 Rally Benefit Bash the best one yet.

Rally On!
