Rally Kid Nohea
Beating Blood Cancer

Dear Friend,

Your generosity, leadership and presence in our community make a difference and that difference matters deeply to kids fighting cancer and their families.

At Rally Gulf Coast we believe in the power of people coming together to create change. Every day 47 kids in the United States are diagnosed with cancer. It is the No. 1 disease killer of children in our country, yet research remains vastly underfunded. That is why Rally is committed to funding critical research advocating for kids and standing beside families in their most challenging moments.

On March 11, 2027, the Brownsville Community Center will come alive with hope, courage and community spirit at Rally On the Runway. This unforgettable evening pairs Rally Kids, local children who have bravely faced or are facing cancer, with community leaders and celebrities for a high-energy runway show. It is more than fashion and fun. It is a celebration of resilience and a meaningful way to make a difference.

As part of this special event, we are hosting a silent auction and inviting generous businesses and community members like you to contribute an item or service. Your support helps fund better treatments and, ultimately, cures while also showing your commitment to local kids and families. Your contribution will be visible to event attendees and auction participants, including community leaders, influencers and philanthropists.

Your gift goes beyond the runway. It helps fund life-changing research and provides essential support to families, from emergency financial assistance to comforting meals during hospital stays. Because 93 cents of every dollar goes directly to Rally's mission, your generosity has a direct and lasting impact.

Items or services must be redeemable from March 11, 2027, to March 11, 2028, and all items must be received by March 4, 2027.

Enclosed is a donation form to make participation easy. If you have any questions or would like to coordinate item collection, please reach out to me at jessica@rallyfoundation.org or 850-746-1196.

Together we can bring more smiles fund better treatments and move closer to cures.

Rally On!
