Rally Kid Vivian
Beating Blood Cancer

Dear Friends,

It is our pleasure to invite you to this year's 9th Annual **Rally In the Round** benefiting Rally Foundation for Childhood Cancer Research. This year's event will be on Wednesday, October 7 at 6:00 p.m. (CST) at Marathon Music Works!

Rally In the Round will be filled with music from Nashville's best songwriters, with appearances by some special Rally Kids who are fighting or have fought childhood cancer. Support this extraordinary event by donating an item for the **Rally In the Round** Silent Auction which will take place that evening.

Cancer is the #1 disease killer of kids in America, and every day two classrooms full of students (about 47 children) are diagnosed with cancer. Yet, pediatric cancer research remains severely underfunded each year.

Rally, a 501(c)(3) nonprofit organization, empowers volunteers across the country to raise awareness and funds for childhood cancer research. Our mission is to help find better treatments with fewer long-term side effects and, ultimately, cures. For every dollar raised, 93 cents goes directly to supporting Rally's mission, according to independently audited financials. Since its founding, Rally has provided more than \$40.5 million in funds to support childhood cancer research projects across the world.

Proceeds from **Rally In the Round** will continue to fund this research and provide hope for children battling cancer in our Tennessee community. Please contact me at nashville@rallyfoundation.org if you have any questions or would like additional information.

Thank you for your consideration and support of this premier event.
